

himolla

# Winter Sale

himolla is one of the UK's leading upholstered furniture manufacturers and their recliners are packed with market-leading innovation such as independent headrests, backrests and footrests so your perfect seating position is only a button press away. A 5 year guarantee gives you confidence in the quality and durability of their recliners and they only select the finest leathers, fabrics and woods so we guarantee you will not sit in anything as comfortable as a himolla chair. Bestsellers and also novelties are available as manual or electric armchairs and the Winter Sale has begun!
